Kentucky Association of Professional Surveyors

Vol. 28 No. 5

DECEMBER 1995

## From The Board Room...

Charles Felts, 1995 President

### KAPS MEMBERSHIP

The frost is on the pumpkin and Kentucky's lanscape is a kaleidoscope of colors. As we race down the backstretch of 1995, we revisit the goals set and reflect on the accomplishments achieved, knowing much more needs to be completed by years end. The Kaps Frankfort Office has gotten a renewed drive and determination towards a strong finish in 1995. This includes being able to provide more services to our 1996 membership.

We are preparing for our 29th Annual Winter Conference and look forward to your attendance and support. We are very

excited about this year's conference and hope that you will join us February 14, 15, 16, and 17.

Each year as we mail out KAPS Membership Applications, we hope each licensed land surveyor in Kentucky and adjoining states will take the time to notice and support the advantages of being members of their professional association. KAPS is the voice of the Professional Land Surveyor in Kentucky.

The Kentucky Association of Professional Surveyors is a voluntary organization of professional surveyors, surveyors-in-training and others dedicated to serving the public interest, promoting and advancing the profession of land

surveying. The objectives listed below will explain the KAPS attitude and philosophy.

### KAPS OBJECTIVES

TO safeguard life, health and property, and to promote the public welfare through the advancement of professional land surveying.

TO establish liason among professional societies having similiar objectives.

TO promote cooperation with those professional societies representing professional fields related to the practice of land surveying.

TO establish better relations between the

profession of land surveying and other professions.

TO establish, promote and maintain high standards of professional ethics and practice and to promote uniformity of practice.

TO promote public understanding, faith and reliance in land surveyors and their work.

TO advance the study of surveying and the education of land surveyors.

TO encourage the

➤ The opportunity to meet and get to know

➤ Valuable leadership experience can be gained by serving as a Committee Chairperson, Chapter Officer or State Officer.

➤ Improve the public image of land surveying

improvement of university and college

curriculum for the study of land surveying.

TO foster and support legislation generally beneficial to the profession, to the Commonwealth of

Kentucky, its subdivisions and to the public.

TO establish methods and repositories for the systematic filing of survey records.

TO promote the cooperation between individual members of the

surveyors from all disciplines and

through the public service programs, including Surveyors Week, Engineers Week, Scholarships, Trigstar, etc...

➤ KAPS sponsors seminars on a wide variety of

organization.

TO provide a forum for the dissemination of information and ideas among members of the surveying community in the Commonwealth of Kentucky.

Many ask why should I join KAPS? The reasons are numerous! Kaps offers its membership the opportunity to access information needed to keep effectively informed on the most current and pertinent issues of land surveying profession. Other benefits include:

management levels.

subjects, which keep members up to date on the rapidly changing profession. In addition to this the courses are approved by The State Board of Registration for professional development hours.
